Re: *Big Rivers Electric Corporation's Green Station Landfill and Reid / HMP&L Station II Surface Impoundment Declaration of Entering into an Assessment Monitoring Programs*

The Coal Combustion Residuals Rule 40 CFR Part 257.94(e) requires that a facility place formal documentation in their operating log within thirty days of entering into an assessment monitoring program per 40 CFR Part 257.105(h)(5).

Big Rivers Electric Corporation Sebree Station is supplying this document as formal notification that the Green Station landfill and the Reid /HMP&L surface impoundment will both be entering into assessment monitoring programs. The document fulfills the requirement of 40 CFR Part 257.105(h)(5).
